Bagpipe®

You Might Think We'd Rest On Our Laurels.

Even with results as good as our sails have helped us achieve, we're still trying to make them even better (the sails *and* the results). With the industry's most exhaustive testing and sail development, more championship titles than any other sailmaker and the personal service to help you get the most out of every sail, nobody is working as hard as North to help you do your best. Call us today and put our hard work to work for you.

North customers made our hard work pay off at the 1997 Thistle MidWinters. Top, L-R are Jack Finefrock (2nd) and Tom Hubbell (3rd). Below is Surge Vanderhorst (4th). Ched Proctor claimed the #1 spot and North Sails helped take 18 of the top 20 finishes!
